

Support for the LSO team

Work At Home Protocol commenced: March 16, 2020. Implemented in accordance with public health recommendations.

- COVID-19 Employee Wellness and Health & Safety policies developed.
- New electronic Human Resources processes developed for payroll processing, benefit and pension enrollment and use of digital signatures via DocuSign.
- Virtual interviews and new employee orientation implemented.
- All employees provided with laptops and other IT equipment to enable them to efficiently work remotely.
- VPN and remote working infrastructure capacity increased.
- Cyber Security Awareness training completed.
- Frequent CEO Updates to the LSO team.
