**Résultats des élections 2015 et statistiques sur la participation au scrutin,  
1987 – 2015**

---

Ce manuel est divisé en trois parties. La première contient les résultats détaillés des élections des membres du Conseil de 2015. La seconde contient des données statistiques sur la participation électorale pour les années 1987 à 2015. La troisième partie présente des statistiques détaillées sur la participation électorale en 2015.

**Première partie**

Les renseignements contenus dans la première partie donnent le nombre total de votes et le pourcentage des votes déposés pour chaque candidat et candidate, par région électorale et par l'ensemble des membres. Les noms des candidats sont donnés par ordre de classement. Pour chaque région, la liste des candidats de l'extérieur de Toronto apparaît en premier, suivie de la liste des candidats de Toronto.

**Seconde partie**

Les renseignements de la seconde partie donnent des données statistiques sur la participation au scrutin selon le sexe, l'année de naissance, l'année d'assermentation, la taille du cabinet, l'état de membre de même que la région électorale et géographique. Les données pour les élections des membres du Conseil de 1991 à 2015 sont incluses. Lorsque possible, des données sur les élections de 1987 sont également incluses.

**Troisième partie**

La troisième partie traite spécifiquement des élections des membres du Conseil de 2015 et présente des statistiques sur la participation électorale selon l'année de naissance, l'année d'assermentation, la taille du cabinet, l'état de membre de même que la région électorale et géographique.
