Dear Participants of Access to Justice Week,

It is a great pleasure to support Ontario's fifth annual Access to Justice Week (A2J Week). I commend the collaborative efforts of many justice stakeholders for organizing and supporting such an important initiative funded by the Law Foundation of Ontario and the Law Society of Ontario.

By bringing together all relevant parties, A2J Week demonstrates your long-standing commitment and leadership to raising awareness about access to justice issues and initiatives.

We all have a role to play in making the justice system more accessible – let's seize this opportunity.

Sincerely,
